

Dear FCC:

I wish to support the petition RM-10352. This will make the 160 meter ham band a much more enjoyable band to operate. With the adoption of this petition Voluntary Compliance of the band plan will not be necessary and thereby the FCC Enforcement branch work load will be reduced. We all Appreciate the efforts of Riley Hollingsworth to clean up the Amateur bands. Adoption of this petition into FCC law will be a great step in cleaning up our amateur bands.

Sincerely,

John C. Goller k9uwa
